INDIVIDUALLY LIABLE FOR NEGLIGENCE.**

- 7.3. **Existing information.** Upon Consultant's specific request, the District shall cooperate in providing to Consultant, all existing and available studies, reports, surveys, and other information and data regarding the Project to the extent such items are in the District's possession and the District has actual knowledge of their existence and location. Despite any other provision of this Agreement, the District does not represent or warrant the accuracy or completeness of any such items, unless it is expressly noted otherwise in writing on such item.

8. **Change of Plan.**

- 8.1. **District's Right.** The District has the absolute right to terminate, suspend, or amend the Services or the Project at any time and for any reason, and such action on its part shall not be deemed a default or breach of this Agreement. Any such termination, suspension, or amendment shall be in writing.
- 8.2. **Remedies.** If the Services or Project is entirely or partly suspended for one or more periods of time Consultant will have no claim for compensation for the suspended period(s) or any other additional compensation. Upon resumption of the Services or Project, Consultant shall resume the Services until the Services are completed in accordance with this Agreement, and the time for completion of the Services which were suspended shall be extended for the period of the suspension.

9. **Termination of Agreement.**

- 9.1. **Termination for Convenience.** The District has the right to terminate this Agreement, in whole or in part without cause upon written notice to Consultant. In such event, Consultant's sole and exclusive recovery against the District will be limited to that portion of Consultant's compensation earned to the date of termination, together with any costs reasonably incurred by Consultant that are directly attributable to the termination. The Consultant shall not be entitled to any further recovery against the District, including, but not limited to, anticipated fees or profits on Services not required to be performed. The District in its sole discretion shall determine that portion of the compensation earned for any incomplete Services based upon the ratio of such part of the Services completed relative to the entire Services. Termination without cause shall be effective upon delivery of written notice to Consultant.
- 9.2. **Termination for Cause.** Consultant shall be considered in material default of this Agreement and the District may terminate this Agreement, in whole or in part, for any of the following reasons: (a) failure to begin Services within the time specified in the Work Order Agreement, or (b) failure to timely and properly perform the Services required hereunder or as directed by the District, or (c) the bankruptcy or insolvency or a general assignment for the benefit of creditors by Consultant or by any of Consultant's principals, partners, officers or directors, or (d) failure to obey any Law, or (e) failure or refusal to allow public access to all public record documents or other materials made or received by Consultant in conjunction with this Agreement, unless exempt under Florida law, or (f) any other

material breach of this Agreement. In any such event, the District may terminate this Agreement, in whole or in part, by giving Consultant written notice. In the event of any such termination for cause, the District is not obligated to make any further payments to Consultant hereunder until such time as the District has determined all costs, expenses, losses and damages which the District may have incurred as a result of such default by Consultant, whereupon the District shall be entitled to set off all costs, expenses, losses and damages so incurred by the District against any amounts due Consultant hereunder. Termination for cause will be effective upon fourteen (14) days written notice to Consultant.

- 9.3. **Violation by District.** If the District violates any provision of this Agreement, and if the violation continues for sixty (60) days after Consultant has delivered written notice of the violation, then Consultant may, without prejudice to any other right or remedy, terminate or cancel this Agreement by giving the District fourteen (14) days written notice of termination. In the event of any such termination by Consultant, Consultant's sole and exclusive remedies against the District will be limited to those set forth in paragraph 9.1 above.
- 9.4. **Notice and Cure.** Despite the provisions of paragraphs 9.2 and 9.3, this Agreement will not terminate for cause if the party receiving the notice begins, within seven (7) days of receipt, to correct its failure and proceeds diligently to cure such failure within thirty (30) days of receipt of the notice; provided, however, that if and to the extent such cause for termination cannot reasonably be cured within such thirty (30) day period, and if such party has diligently attempted to cure the same and thereafter continues to diligently cure the same, then the cure period may be further extended by the party that provided the notice.
- 9.5. **Remedies if no Default.** If, after termination of this Agreement as provided for in paragraph 9.2, it is determined for any reason that Consultant was not in default, or that its default was excusable or that the District otherwise was not entitled to the remedy against Consultant provided for in paragraph 9.2, then such termination for cause shall be deemed to be a termination for convenience as described in paragraph 9.1 and Consultant's sole and exclusive rights and remedies against the District shall be the same as and limited to those afforded Consultant under paragraph 9.1 above.
- 9.6. **Delivery of material after termination.** Within ten (10) days after any termination of this Agreement, Consultant shall deliver to the District all papers, drawings, models, and other material prepared by and for Consultant with respect to the Project and Services.

10. **Waiver.**

- 10.1. **Acceptance of Final Payment.** Consultant's acceptance of final payment constitutes a full waiver of all claims by Consultant against the District arising out of and relating to this Agreement or otherwise related to the Project, except those previously made in writing and identified by Consultant as unsettled at the time it submits its invoice for final payment. Neither the acceptance of the Services nor any payment by the District shall be deemed to be an acceptance of defective or incomplete Services or waiver of any of the District's rights against Consultant.
- 10.2. **Non-Enforcement.** Non-enforcement of any provision of this Agreement by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or the remainder of this Agreement.

11. **Additional Services.**

- 11.1. **Notice to District.** If Consultant is of the opinion that any services the District directs it to perform are beyond the Scope of the Services under this Agreement, Consultant shall, within seven business days of such direction, notify the District in writing of its opinion. The District shall, within ten (10) business days after receipt of such notification, determine whether such service is beyond the scope of this Agreement and constitutes Additional Services. If the District determines that such service does constitute Additional Services, it will provide extra compensation to Consultant based upon the rates and terms provided in **Exhibit B**.

- 11.2. **Project Schedule.** If, in the opinion of the District, the progress of the Services during any period is substantially less than the amount that is necessary to meet the Project schedule, the District may require Consultant to take whatever action is necessary, in the opinion of the District, to put the Services back on schedule. Such action shall not constitute Additional Services unless the delays were caused by circumstances beyond the control and fault of Consultant or its agents, employees and Subconsultants.
- 11.3. **Claims against the District.** In the event of claims by others against the District in connection with the Project or the Services, Consultant shall provide to the District such technical assistance that the District may request. Such assistance shall constitute Additional Services, unless such claims are caused by the failure of Consultant, its agents, employees or Subconsultants to comply with the terms and conditions of this Agreement or otherwise perform their duties under this Agreement.
- 11.4. **Delays more than and less than 30 days.** Subject to the provisions of paragraph 8.2 above, Consultant shall not make any charges or claims for damages for any delays or hindrances of less than thirty (30) days from any cause whatsoever during the progress of any portion of the Services. The District may compensate such delays or hindrances of less than thirty (30) days by an extension of time as the District may decide. However, any such extension shall not operate as a waiver of any other rights of the District. The District will consider delays or hindrances that exceed thirty (30) days and will determine whether any additional services are needed from Consultant unless such delays or hindrances were caused in whole or in part by Consultant, its employees, agents, or Subconsultants or because of a suspension of the Project or Services entirely or partly by the District. This paragraph does not apply to suspensions of the Project or Services by the District, which suspensions will be governed by paragraph 8.1.
- 11.5. **Audit.** If the District requires Consultant to provide it with an audit of its Project costs, such audit will not be considered Additional Services.
12. **Assignment and Subconsultants.** Consultant shall not sublet, assign, or transfer this Agreement or any Services without the prior written consent of the District, which consent may be withheld in the District's sole discretion. Consultant shall be solely responsible for the employment, direction, supervision, compensation, and control of any and all Subconsultants. Consultant shall cause all Subconsultants to abide by the terms and conditions of this Agreement and all Laws. All agreements between Consultant and Subconsultants shall be in writing, with a copy of such agreements to be provided to the District upon its request for same.
13. **Indemnification.** Consultant shall indemnify and hold harmless the agency, and its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentionally wrongful conduct of the Consultant and other persons employed or utilized by the Consultant in the performance of this Agreement. This provision is consistent with section 725.08, Florida Statutes.
